## Renter Solar By Credence Energy

[www.credenceenergy.com](http://www.credenceenergy.com)

### **Problem:**

Rental Tenants make up over 48.5 Million of US housing and do not have access to solar energy

### **Solution:**

Zero-down, energy savings portable non-permanent solar unit.

### **Plan:**

Win the American-Made Solar Prize, finalize prototype, sales software, pre-sell, start manufacturing, obtain investors/installer network, scale and serve!
