Children Study By Solar Lights

Solar 20 Simple Controller

Solar 20 is a 20 year solar power solution for remote parts of the world living without access to electricity.

20 year batteries provide 400% more light, and require less maintenance.

Solar 20 solar home systems bring light and prosperity to the world's poorest people.

John Barrie – Director

Marilena Choguaj – Field Testing

Jonathan Minder – Business

Monika Goforth – Executive Dir.
