

EdgeBMS.io Cover Page

We aim to provide a holistic, low-cost, easy to install (minimally invasive) edge device that will unlock and centralize data from many geographically disparate legacy building management systems (BMSs).

Core Team

1. Peter Willette; CEO; 603-209-3032; pete@edgebms.io; <https://www.linkedin.com/in/peter-willette-74407430>
2. Keith Gipson; CTO; 213-840-3943; keith@edgebms.io; <https://www.linkedin.com/in/keith-gipson>

Location

Gardena, California

Commercial Development Partners

Kenneth Seeton of California
State Dominguez Hills
