

CircuSolar

A data platform providing an impactful second life for decommissioned solar panels.

Problem

Near and Long-Term Solar Panel Waste

No Data on End-of-Life Solar Panels

Solution

Developers Share Data on Deployed and Future Sites

Nonprofits May Receive Useful, Donated Panels

Team

Woman-Owned Business in Sheridan, WY

2020 DOE EPIC Award Winner

Plan

Build Developer and Nonprofit Network

Facilitate Donations to Impactful Projects

Members in these groups can register free of charge at circusolar.com
