Bombay - IT

## OUR WHY EQUITY & DIGNITY

Access to transportation for employment, education, and essential services enhances the quality of life for all individuals to create a thriving community.

## OUR PRODUCT INCREASING PUBLIC TRANSIT RIDERSHIP

Each shelter is transformed into a virtual workstation and power station—monitored and managed remotely.

Time, Date, Weather, Multi-Modal Transit (bus, rideshare, bikeshare), Emergency Button, LED lighting, Free WIFI, Smart Device Charging, Security Surveillance, Industrial Hand Sanitizer Station

## OUR Mission

EQUITABLE | IMPACTFUL | SUSTAINABLE

## OUR MODEL CONNECTING TO SMART CITIES INFRASTRUCTURE

We connect the dots with key stakeholders for a better, safer and more informed commuting experience.

# SMART CITY

The new world of SMART transportation infrastructure
