

# LYNX SOLAR AFTER DARK

## Control

I control my home's power  
as I would like  
AND  
To the level of my solar  
generation plus backup  
battery

## Affordable

I no longer need to oversize  
my energy storage system  
to benefit from whole house  
backup

## Energy Information

I can make smart reliance  
decisions about a potential  
future power outage
