Transforming Cancer Navigation with Open Data & APIs

Solver Webinar
3/6/2025

https://www.herox.com/CancerNavigationDataChallenge

The Critical Gap – A Complex Landscape

Challenge Objectives

Help patients aggregate medical records

Utilize AI-ready datasets

Integrate open data

Sync with social needs APIs

Adopt social determinants screening standards

Demonstrate and present solutions

INNOVATION HORIZONS

Calling Innovators: What We Seek

- ✓ Digital Innovation

- ✓ Personalized Resource Mapping

- ✓ Clinical Trial Discovery

- ✓ Treatment Information Aggregation

- ✓ Care Coordination Tools

- ✓ API Integration

- ✓ User Experience

INNOVATION HORIZONS

Join the Challenge!

Call to Action

• Transform data into hope

• Turn technology into compassion

• Reimagine cancer navigation

Submission

• HeroX: www.herox.com/CancerNavigationDataChallenge

• Deadline: April 3, 2025
